## Bird Checklist

Compiled by Homer Hansen & Erika Wilson  
Updated January 2010

This checklist is a compilation of observations reported during the *Wings Over Willcox Birding & Nature Festival* in and around Willcox, including: Cochise Lake (Twin Lakes), Whitewater Draw, Sulphur Springs Valley, Cochise Stronghold, and the Chiricahua Mountains. The taxonomy follows the 7<sup>th</sup> edition of the American Ornithologists' Union (AOU) *Check-list of North American Birds* and the 50<sup>th</sup> Supplement (2009) to the *Check-list*. Please report species not on the checklist or species denoted with an asterisk (\*) to the registration desk.
